Come and have some FUN!

Dear Members,

Later this month you will be receiving your 2012 Membership Dues and Fees invoice. Although we were able to go last year with no dues increase, a modest 3% increase will be included for 2012. Several factors led to this increase. The weather alone in April and July resulted in a \$50,000 decrease in revenue from the previous year. Other costs continue to rise such as fuel, fertilizer, equipment parts, food and chemicals.

After several years of maintaining the price on most beverages, 2012 will see an increase (yes, beer is one of them), which will go up a quarter. If you do much grocery store shopping, you have seen 10%-15% across the board on most food items. So, our food menu will also reflect some inflation adjustments.

While the board and staff does not like to raise dues or other prices, they feel it necessary at this time to insure a well maintained facility and make modest capital improvements.
